Committee on Appropriations  
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Law Enforcement License Plate Reader System Project in fiscal year 2024. The entity to receive funding for this project is City of North Lauderdale, Florida, located at 701 Southwest 71st Ave., North Lauderdale, FL 33068. The funding would implement a License Plate Reader System will provide a valuable tool to the police in the form of real time information on vehicles entering and exiting the City. The project is an appropriate use of taxpayer funds because the city will be able to close a gap between North Lauderdale and the surrounding neighbors to provide a complete cover of data. This system would tie into the County's real time crime center.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sheila Cherfilus-McCormick  
Member of Congress
