Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Workforce Affordable Housing Development in fiscal year 2024. The entity to receive funding for this project is Palm Beach County, Florida., located at 301 N. Olive Avenue, West Palm Beach, FL 33401. The funding would be used to provide gap financing for the acquisition, construction and equipping of Condominiums, Multi-Family Rental Units, Single Family Homes and Townhomes, additionally leveraging Palm Beach County's \$200 million Workforce and Affordable Housing Bond Program, annual allocations from the Infrastructure Sales Tax, ad valorem and other county funding. The project is an appropriate use of taxpayer funds because it will be utilized to further assist gap financing above what the \$200 million bond would cover, thus increasing the number of potential workforce and affordable units, and shortening the time to bring those units to market..

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sheila Cherfilus-McCormick
Member of Congress
